

# Mental Health Education and Training Network

## About Us

**A network of experts....  
dedicated to training mental healthcare professionals**

The **Mental Health Education and Training Network** (ETN) is dedicated to delivering top quality tailor-made training provision designed to enable mental healthcare professionals achieve success. With our **Network of expert trainers**, we will be using our collaborative strengths and experience to develop new training ideas quickly and effectively.

ETN is innovative and utilises the most up to date, affordable technologies without losing the true value of the learning experience. Our provision is growing constantly – **one and two day training courses, masterclasses, seminars and workshops** including a range of **onsite training courses** (where we come to you!) – all designed to maximise learning potential and minimise cost.

We have experience in delivering training projects for the **Department of Health** and working collaboratively with partners including **GPs, Deaneries and Trusts** to bring national cross-professional training projects to successful completion.

We are committed to:

- ▶ ensuring our quality and standards are high, our costs are low and our provision, affordable
- ▶ maintaining focus on our customers' needs and helping them continually improve patient care
- ▶ reinvesting generated surpluses in our future educational provision
- ▶ ensuring the success of our organisation benefits those who join us
- ▶ expanding our Network and becoming increasingly more affordable to our members
