Not to be missed...
The 23rd Annual Grange Conference
The Medico-Legal Event of the Year for Mental Health Professionals 2024

The Grange Conference Directors and ETN look forward to welcoming you to the 23rd Annual Grange Conference which is now the go-to conference for medico-legal experts.

Due to its increasing popularity, we have outgrown our previous venue and this year, we move to Hazlewood Castle - still in sunny Yorkshire! Professor Keith Rix and the stalwart team of Grange Conference Directors have chosen the topics for this year carefully, based on feedback from previous attendees and a forensic analysis of the issues facing experts in the current medico-legal environment.

As ever, the three-day event will be a hybrid conference enabling those who are unable to attend to participate remotely. Nevertheless, we strongly encourage you to consider coming in person, now there is no limit on numbers, to feel the true Grange experience. Not only can you gain so much from networking with other experienced experts and speakers, but the Gala Dinner with its after-dinner speaker, on the Wednesday evening is also very well worth experiencing at least once in a lifetime!

The conference continues to evolve, and we have noted that the Wednesday afternoon practical interactive sessions continue to be well received and so we have a new learning experience planned for this year. We also encourage partners to attend, and Hazlewood Castle provides a range of activities to keep them entertained.

So, whether you are starting out as an expert or have been doing it for years, whether in person or virtually, we look forward to welcoming you to Yorkshire for the Medico-Legal Event for Mental Health Professionals - between Tuesday 24th September to Thursday 26th September 2024.

Don't forget though – the full residential package starts with welcome drinks and a relaxed social dinner on Monday 23rd September 2024 – see you there!
